

Other conditions.

- (i) The lessee or his employees shall not damage the standing trees or other produce in the course of removal.
- (ii) The lessee shall not sublet the lease without the written permission of the District Forest Officer.
- (iii) The lessee shall remove the produce before the end of June 1935, and anything left unremoved thereafter shall remain at the disposal of the Department.
- (iv) The lessee shall hold himself responsible for any fire that may be caused by negligence by himself or his watchmen, and shall render all assistance to putting it out.
- (v) The lessee or his watchmen shall not enter the State Forest either before sunrise or after sunset.
- (vi) The lessee shall be bound to maintain accounts of the removal of these produce and to render them to the Range Officer, every month during the course of operation.
- (vii) The produce shall not be removed without being covered by a passport issued by the Forest Range Officer.
- (viii) In the event of breach of any of these conditions, the lease will be cancelled and the security already furnished forfeited in whole or in part at the discretion of the District Forest Officer, whose orders will be final.

K. REVANNA,

*District Forest Officer.***ENGINEERING DEPARTMENT.****BANGALORE DIVISION.***Abstract Notification, dated 22nd September 1933.*

The attention of the public is hereby invited to the detailed notification inviting tenders for the work of construction of a building for the Municipal High School at Dodballapur published on pages 1195-96 of Part VI of the *Mysore Gazette*, dated 5th October 1933.

The last day for the receipt of tenders is 3 P.M. on the 23rd October 1933, and the earnest money to accompany the tender is Rs. 500.

M. A. SRINIVASACHARI,

*Executive Engineer.***KOLAR DIVISION.***Dated 1st February 1933.*

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 2 P.M., on 20th November 1933, for maintenance work to Manchenahalli Tank, Registered No. 69 of Goribidnur Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1934.

2. The plans, detailed estimates and conditions may be seen at the Executive Engineer's Office at Kolar between the hours of 11 A.M. to 4 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees one hundred and fifty (Rs. 150) in cash or Government Currency Notes, as earnest money and be superscribed "Tender for Maintenance work to Manchenahalli Tank, Registered No. 69 of Goribidnur Taluk" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates tendered should be noted both in words and figures clearly.

10. Percentage rates in excess or below the estimate rates will not be accepted.
